DCCN Index 1996
Volume 15, Numbers 1-6

Author Index

- **Ackerman M, Ecklund M, Abu-Jumah M**; Review of Normal Saline Instillation: Implications for Practice; 31.
- **Anderson J, Biba S**; To Tell or Not To Tell; Part I: Ethical Comments; 318.
- **Campbell M**; Managing Terminal Dyspnea: Caring for the Patient Who Refuses Intubation or Ventilation; 4.
- **Campbell M**; Managing Terminal Dyspnea When the Patient Refuses Life-Sustaining Therapy; 14.
- **Cash L**; Heart Failure From Diastolic Dysfunction; 170.
- **Cash L**; Nursing Management of Diastolic Heart Failure; 179.
- **Clarke D, Coghill K, Dominguez D, Smatlak P, Johnson S, Fornaro M**; Merging PICU and MICU: Expanding Nurse Competencies; 106.
- **Clement J, Buck E**; Weaning from Mechanical Ventilatory Support; 114.
- **Clement J, Buck E**; Assessing Patients' Readiness to Wean: Applying Current Research; 131.
- **Counsell C, Gilbert M, Snively C**; Management of the Patient with a Pituitary Tumor Resection; 75.
- **Dahlen R, Roberts S**; Monitoring Patients with Acute Congestive Heart Failure; 243.
- **Dahlen R, Roberts S**; Acute Congestive Heart Failure: Preventing Complications; 226.
- **Edwards D, Hess L**; Aggressive Weaning in Cardiac Surgical Patients; 181.
- **Goodwin R**; Prevention of Aspiration Pneumonia: A Research-Based Protocol; 58.
- **Goodwin R**; Strategies for Preventing Aspiration Pneumonia; 73.
- **Grossman S, Campbell C, Riley B**; Assessment of Clinical Decision-Making Ability of Critical Care Nurses; 272.
- **Guilbeau J, Applegate A**; Thermodilution: An Advanced Technique for Measuring Continuous Cardiac Output; 25.
- **Hartman R**; To Tell or Not To Tell; Part II: Ethical Analysis; 318.
- **Hodges J, Huzel P, Lyons M, Miedema M, Thomassen, C**; Atypical Pneumonia in the Critically Ill Obstetric Patient; 82.
- **Hooper V**; Reversal Agents to Counteract Muscle Relaxation: Nursing Considerations; 284.
- **Hooper V**; Reversal of Muscle Relaxants: Clinical Implications for Critical Care Nurses; 296.
- **Howser R**; Nursing Care of a Patient with Lupus Cerebritis; 254.
- **Hubner C, Jain U**; Caring for the ICU Patient Receiving Propofol; 133.
- **Johnson S**; Adapting a Thesis to Publication Style: Meeting Editors' Expectations; 160.
- **Kaut K, Turcott J, Lavery M**; Passy-Muir Speaking Valve; 298.
- **Keresztes P, Kuruzar L**; Very Early Extubation: Extubating in the OR Following Coronary Artery Bypass; 198.
- **Kleinpell R**; New Role for Critical Care Nursing: The Acute Care Nurse Practitioner; 168.
- **Lookinland S, Crenshaw J**; Rewarding Clinical Competence in the ICU: Using Outcomes to Reward Performance; 206.
- **Matthews M**; Sperm Collection in the Brain-Dead Patient; Part III: Legal Aspects; 98.
- **Miedema F**; Sperm Collection in the Brain-Dead Patient; Part II: Ethical Case Analysis; 98.
- **Overbay J**; Parental Participation in Treatment Decisions for Pediatric Oncology ICU Patients; 16.
- **Pozda R**; Sperm Collection in the Brain-Dead Patient; Part I: Case Situation; 98.
- **Redick E, Barden C**; Advance Directives: Do You Have One?; 282.
- **Schwabauer N**; Retarding Progression of Heart Failure: Nursing Actions; 307.
- **Shultz S, Meriney D**; Cyclosporine and Tacrolimus: A Comparison of Immunosuppressants Used for Liver Transplantation; 187.
- **Steinke E, Midgley P**; Sexual Counseling of MI Patients: Nurses' Comfort, Responsibility and Practice; 216.
- **Stine A, Marden S**; Improving Outcomes for Pediatric Patients in the Adult Cardiac Catheterization Laboratories; 326.
- **Thompson M**; Clinical Nurse Specialist: Making the Shift from Critical Care to Home Care; 40.
- **Twibell R, Wieseke A, Marine M, Schoger J**; Spiritual and Coping Needs of Critically Ill Patients: Validation of Nursing Diagnoses; 245.
- **Watts R, Hanson M, Burke K, Gallagher S, Foster D**; Critical Care Nurse Practitioner: An Advanced Practice Role for the Critical Care Nurse; 48.
- **Welch R**; Characteristics Related to DNR Orders for Pediatric ICU Patients; 142.
- **Winet E, Lukasiewicz G**; Air Mattress for Post-PTCA/DCA Patients: Evaluating the Outcome; 91.
- **Winet E, Lukasiewicz G, Hess E, Cates M**; Merging Critical Care Units: Deciding Which Units to Merge; 264.
- **Wocial L**; Achieving Collaboration in Ethical Decision Making: Strategies for Nurses in Clinical Practice; 150.

Subject Index

Advance Directives
- Advance Directives: Do You Have One?; 282.

Advance Practice Nursing
- Acute Congestive Heart Failure: Preventing Complications; 226.
- Caring for the ICU Patient Receiving Propofol; 133.
- Heart Failure From Diastolic Dysfunction; 170.

Advanced Technology
- Passy-Muir Speaking Valve; 298.

Air Mattress
- Air Mattress for Post-PTCA/DCA Patients: Evaluating the Outcome; 91.

Applied Pathophysiology
- Retarding Progression of Heart Failure: Nursing Actions; 307.

Applied Pharmacology
- Cyclosporine and Tacrolimus: A Comparison of Immunosuppressants Used for Liver Transplantation; 187.

Subject Index

Advance Directives
- Advance Directives: Do You Have One?; 282.

Advance Practice Nursing
- Acute Congestive Heart Failure: Preventing Complications; 226.
- Caring for the ICU Patient Receiving Propofol; 133.
- Heart Failure From Diastolic Dysfunction; 170.

Advanced Technology
- Passy-Muir Speaking Valve; 298.

Air Mattress
- Air Mattress for Post-PTCA/DCA Patients: Evaluating the Outcome; 91.

Applied Pathophysiology
- Retarding Progression of Heart Failure: Nursing Actions; 307.

Applied Pharmacology
- Cyclosporine and Tacrolimus: A Comparison of Immunosuppressants Used for Liver Transplantation; 187.

- Reversal Agents to Counteract Muscle Relaxation: Nursing Considerations; 284.

Applied Research
- Assessment of Clinical Decision-Making Ability of Critical Care Nurses; 272.
- Air Mattress for Post-PTCA/DCA Patients: Evaluating the Outcome; 91.
- Characteristics Related to DNR Orders for Pediatric ICU Patients; 142.
- Parental Participation in Treatment Decisions for Pediatric Oncology ICU Patients; 16.
- Sexual Counseling of MI Patients: Nurses' Comfort, Responsibility and Practice; 216.
- Spiritual and Coping Needs of Critically Ill Patients: Validation of Nursing Diagnoses; 245.

Aspiration
- Prevention of Aspiration Pneumonia: A Research-Based Protocol; 58.
- Strategies for Preventing Aspiration Pneumonia; 73.

Assessment Techniques
- Aggressive Weaning in Cardiac Surgical Patients; 181.

Brain-Dead
- Sperm Collection in the Brain-Dead Patient; Part I: Case Situation.; 98.
- Sperm Collection in the Brain-Dead Patient; Part II: Ethical Case Analysis; 98.
- Sperm Collection in the Brain-Dead Patient; Part III: Legal Aspects; 98.

Cardiac
- Acute Congestive Heart Failure: Preventing Complications; 226.
- Aggressive Weaning in Cardiac Surgical Patients; 181.
- Caring for the ICU Patient Receiving Propofol; 133.
- Heart Failure From Diastolic Dysfunction; 170.
- Improving Outcomes for Pediatric Patients in the Adult Cardiac Catheterization Laboratories; 326.
- Monitoring Patients with Acute Congestive Heart Failure; 243.
- Nursing Management of Diastolic Heart Failure; 179.
- Retarding Progression of Heart Failure: Nursing Actions; 307.
- Sexual Counseling of MI Patients: Nurses' Comfort, Responsibility and Practice; 216.
- Thermodilution: An Advanced Technique for Measuring Continuous Cardiac Output; 25.
- Very Early Extubation: Extubating in the OR Following Coronary Artery Bypass; 198.

Career Development
- Critical Care Nurse Practitioner: An Advanced Practice Role for the Critical Care Nurse; 48.
- Adapting a Thesis to Publication Style: Meeting Editors' Expectations; 160.

Career Opportunities
- Clinical Nurse Specialist: Making the Shift from Critical Care to Home Care; 40.

Challenging Diagnosis
- Management of the Patient with a Pituitary Tumor Resection; 75.
- Managing Terminal Dyspnea: Caring for the Patient Who Refuses Intubation or Ventilation; 4.
- Nursing Care of a Patient with Lupus Cerebritis; 254.

Clinical Nurse Specialist
- Clinical Nurse Specialist: Making the Shift from Critical Care to Home Care; 40.

Collaboration
- Achieving Collaboration in Ethical Decision Making: Strategies for Nurses in Clinical Practice; 150.

Communication
- Passy-Muir Speaking Valve; 298.

Competence
- Rewarding Clinical Competence in the ICU: Using Outcomes to Reward Performance; 206.

Congestive
- Acute Congestive Heart Failure: Preventing Complications; 226.
- Monitoring Patients with Acute Congestive Heart Failure; 243.

Coping
- Spiritual and Coping Needs of Critically Ill Patients: Validation of Nursing Diagnoses; 245.

Counseling
- Sexual Counseling of MI Patients: Nurses' Comfort, Responsibility and Practice; 216.

Decision Making
- Assessment of Clinical Decision-Making Ability of Critical Care Nurses; 272.

Diastolic
- Heart Failure From Diastolic Dysfunction; 170.
- Nursing Management of Diastolic Heart Failure; 179.

DNR
- Characteristics Related to DNR Orders for Pediatric ICU Patients; 142.

Dyspnea
- Managing Terminal Dyspnea: Caring for the Patient Who Refuses Intubation or Ventilation; 4.
- Managing Terminal Dyspnea When the Patient Refuses Life-Sustaining Therapy; 14.

Ethical
- Achieving Collaboration in Ethical Decision Making: Strategies for Nurses in Clinical Practice; 150.
- Sperm Collection in the Brain-Dead Patient; Part I: Case Situation.; 98.
- Sperm Collection in the Brain-Dead Patient; Part II: Ethical Case Analysis; 98.
- Sperm Collection in the Brain-Dead Patient; Part III: Legal Aspects; 98.
- To Tell or Not To Tell; Part I: Ethical Comments; 318.
- To Tell or Not To Tell; Part II: Ethical Analysis; 318.

Extubation
- Very Early Extubation: Extubating in the OR Following Coronary Artery Bypass; 198.

Family
- To Tell or Not To Tell; Part I: Ethical Comments; 318.
- To Tell or Not To Tell; Part II: Ethical Analysis; 318.

Guest Editorial
- Advance Directives: Do You Have One?; 282.
- New Role for Critical Care Nursing: The Acute Care Nurse Practitioner; 168.

Home Care
- Clinical Nurse Specialist: Making the Shift from Critical Care to Home Care; 40.

Leadership Strategies
- Rewarding Clinical Competence in the ICU: Using Outcomes to Reward Performance; 206.

Liver
- Cyclosporine and Tacrolimus: A Comparison of Immunosuppressants Used for Liver Transplantation; 187.

Lupus
- Nursing Care of a Patient with Lupus Cerebritis; 254.

Merging
- Merging Critical Care Units: Deciding Which Units to Merge; 264.
- Merging PICU and MICU: Expanding Nurse Competencies; 106.

Multisystem Case
- Atypical Pneumonia in the Critically Ill Obstetric Patient; 82.

Neurology
- Management of the Patient with a Pituitary Tumor Resection; 75.

Neuromuscular
- Reversal Agents to Counteract Muscle Relaxation: Nursing Considerations; 284.
- Reversal of Muscle Relaxants: Clinical Implications for Critical Care Nurses; 296.

Nursing Technique
- Thermodilution: An Advanced Technique for Measuring Continuous Cardiac Output; 25.

Obstetric
- Atypical Pneumonia in the Critically Ill Obstetric Patient; 82.

Oncology
- Parental Participation in Treatment Decisions for Pediatric Oncology ICU Patients; 16.

Pediatric
- Characteristics Related to DNR Orders for Pediatric ICU Patients; 142.
- Improving Outcomes for Pediatric Patients in the Adult Cardiac Catheterization Laboratories; 326.
- Parental Participation in Treatment Decisions for Pediatric Oncology ICU Patients; 16.

Pneumonia
- Atypical Pneumonia in the Critically Ill Obstetric Patient; 82.
- Prevention of Aspiration Pneumonia: A Research-Based Protocol; 58.
- Strategies for Preventing Aspiration Pneumonia; 73.

Practitioner
- Critical Care Nurse Practitioner: An Advanced Practice Role for the Critical Care Nurse; 48.
- New Role for Critical Care Nursing: The Acute Care Nurse Practitioner; 168.

Preventing Complications
- Acute Congestive Heart Failure: Preventing Complications; 226.
- Prevention of Aspiration Pneumonia: A Research-Based Protocol; 58.

Project Development
- Merging Critical Care Units: Deciding Which Units to Merge; 264.

Propofol
- Caring for the ICU Patient Receiving Propofol; 133.

Publishing
- Adapting a Thesis to Publication Style: Meeting Editors' Expectations; 160.

Research Analysis
- Review of Normal Saline Instillation: Implications for Practice; 31.
- Weaning from Mechanical Ventilatory Support; 114.

Respiratory
- Passy-Muir Speaking Valve; 298.

Restructuring
- Merging Critical Care Units: Deciding Which Units to Merge; 264.
- Merging PICU and MICU: Expanding Nurse Competencies; 106.

Reversal
- Reversal Agents to Counteract Muscle Relaxation: Nursing Considerations; 284.
- Reversal of Muscle Relaxants: Clinical Implications for Critical Care Nurses; 296.

Reward
- Rewarding Clinical Competence in the ICU: Using Outcomes to Reward Performance; 206.

Saline
- Review of Normal Saline Instillation: Implications for Practice; 31.

Spiritual
- Spiritual and Coping Needs of Critically Ill Patients: Validation of Nursing Diagnoses; 245.

Staff Development
- Improving Outcomes for Pediatric Patients in the Adult Cardiac Catheterization Laboratories; 326.

Standards of Care
- Very Early Extubation: Extubating in the OR Following Coronary Artery Bypass; 198.

STATPack
- Assessing Patients' Readiness to Wean: Applying Current Research; 131.
- Managing Terminal Dyspnea When the Patient Refuses Life-Sustaining Therapy; 14.
- Monitoring Patients with Acute Congestive Heart Failure; 243.
- Nursing Management of Diastolic Heart Failure; 179.
- Reversal of Muscle Relaxants: Clinical Implications for Critical Care Nurses; 296.
- Strategies for Preventing Aspiration Pneumonia; 73.

Thermodilution
- Thermodilution: An Advanced Technique for Measuring Continuous Cardiac Output; 25.

Transplantation
- Cyclosporine and Tacrolimus: A Comparison of Immunosuppressants Used for Liver Transplantation; 187.

Tumor
- Management of the Patient with a Pituitary Tumor Resection; 75.

Ventilation
- Managing Terminal Dyspnea: Caring for the Patient Who Refuses Intubation or Ventilation; 4.
- Weaning from Mechanical Ventilatory Support; 114.

Weaning
- Aggressive Weaning in Cardiac Surgical Patients; 181.
- Assessing Patients' Readiness to Wean: Applying Current Research; 131.
- Weaning from Mechanical Ventilatory Support; 114.
